ANJI HUAXIN
Bamboo & Wood Products Co.,Ltd.
安吉华信竹木制品有限公司

Global Market Reach

Our mission is to provide high-quality, easy-to-install flooring accessories with exceptional color coordination, consistent performance, and dependable service—helping our customers create complete flooring solutions with confidence.

Huaxin Story

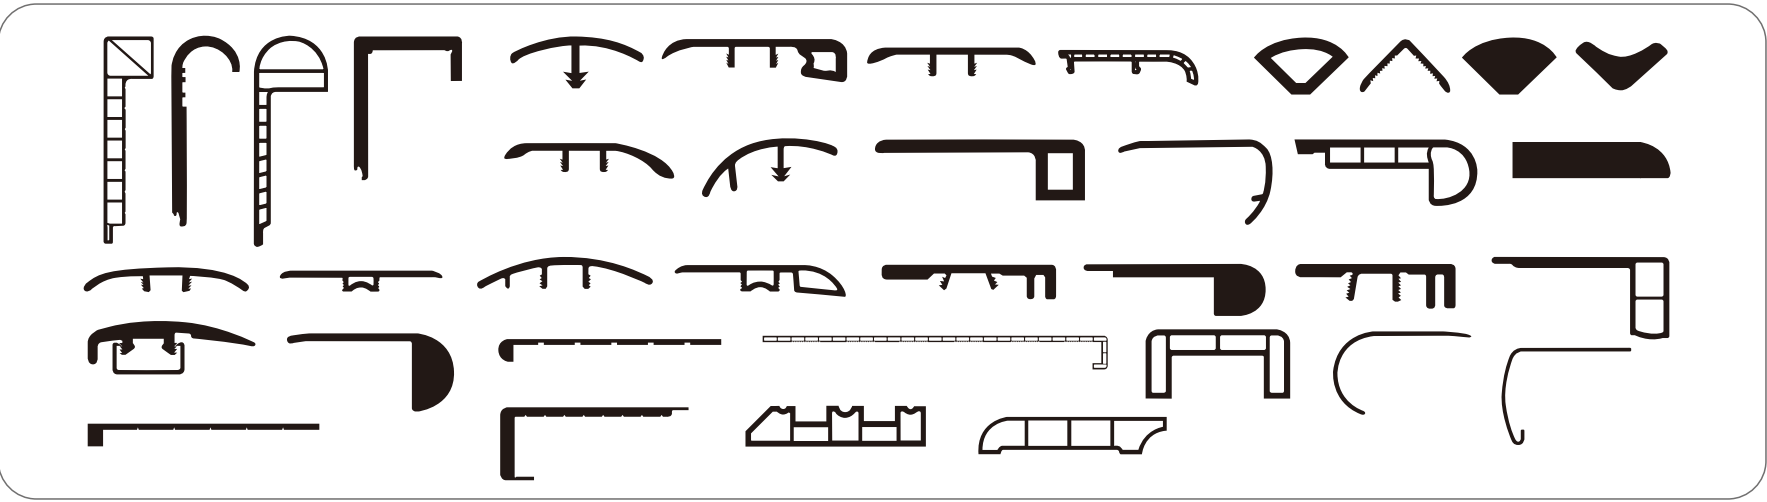

Founded in 2004 in Anji, Zhejiang, Huaxin began by specializing in bamboo and wood moldings. As the flooring industry evolved, so did we—expanding into PVC extrusion, digital printing, and a growing range of flooring accessories designed to coordinate with today's flooring products.

Over more than 20 years, Huaxin has grown from a specialized molding manufacturer into a global flooring-accessories partner. Our capabilities now include advanced extrusion, wrapping, digital printing, custom profile development, and precision color matching. We continue to expand our manufacturing footprint and capabilities to better serve customers around the world.

Today, Huaxin combines manufacturing expertise, product innovation, and responsive customer support to deliver flooring accessories that are made to match, made to perform, and made for our customers.

Product Series

OUR JOURNEY: 20+ YEARS OF GROWTH

2004

The Beginning
Anji Huaxin Bamboo & Wood Products Co., Ltd. was founded, specializing in bamboo and wood moldings.

2013

Product Expansion
Huaxin expanded beyond bamboo and wood into PVC products, adding new extrusion capabilities and broadening its product portfolio.

2008

Expanding Our Foundation
The factory expanded to 30 mu, creating additional capacity and a stronger foundation for future growth.

2021

Entering the Digital Era
Two digital printing lines were introduced, expanding our capabilities in customized design and color matching.

2016

Scaling Production
Five new extrusion lines were added, doubling production capacity and supporting continued growth.

2024

Huaxin Comes to America
A U.S. sales office and showroom opened, strengthening service and support for North American customers.

2025

Expanding into Vietnam
Everlast began production in Vietnam, expanding Huaxin's global manufacturing footprint and supply capabilities.

2026

A New Generation of Manufacturing
A new 50,000-square-meter modern industrial park opened, providing expanded capacity and advanced manufacturing capabilities for the future.

Craftsmanship-Driven Manufacturing

Built for Consistent Quality

Pallet Size: 2420x1120x1150mm

Gross Weight/Carton: 34kgs

Pallets/20GP: 8pallets

Stair Nose

Installation

1.

Measure and Cut

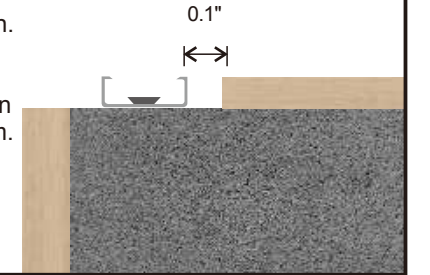

Measure the required length and cut the stair nose to fit.

2.

Install the Track

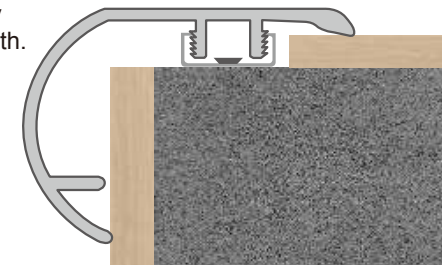

Apply a continuous bead of construction adhesive to the underside of the track and secure it in position. Maintain a minimum 0.1 in. (2.5 mm) expansion gap between the flooring and the trim.

3.

Position the Stair Nose

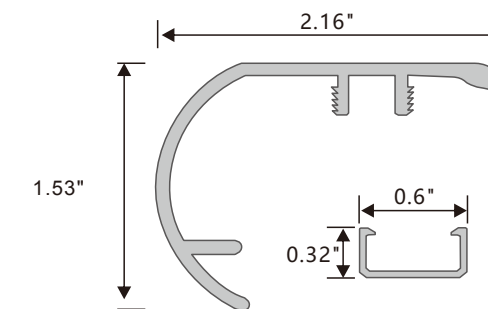

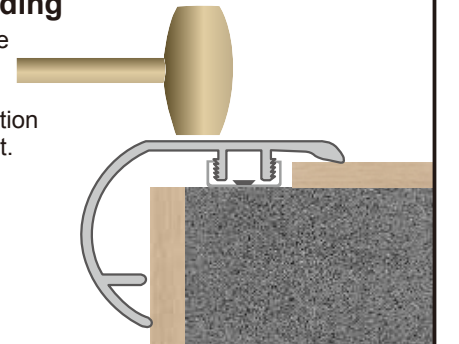

Starting at one end, align the stair nose with the track and press it firmly into place, working gradually along the full length.

4.

Secure the Molding

Ensure the stair nose is fully seated in the track. If necessary, gently tap it into position using a rubber mallet.

Stair Nose

Size: 1200x100x35mm

Package: 4pcs/ctn

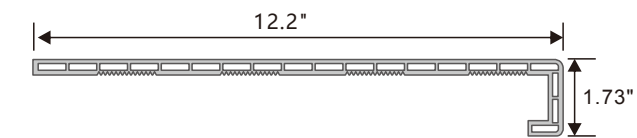

carton size: 1215x105x115mm

Pallet Size: 1230x960x1080mm
